Article 5 – Appropriate behaviour on the site

Monthéry is a private industrial site.

The use of any motor vehicle on the site is to be kept to a minimum and must be at low speed.

Please make use of the toilets and waste bins provided and leave the area clean

For safety reasons and in order to avoid pollution the following are forbidden on the site:

- Camping
- Barbecues
- Pets
- Drones

Decent clothing is expected.

The organisers reserve the right to expel anyone whose behaviour has been judged dangerous and/or does not comply with these regulations

Article 8 – Acceptable vehicles

On the circuit:

- Any vehicle of sporting character built prior to 1940.
- Post 1940 vehicles, or not of sporting character, subject to individual authorisation.

Each vehicle will be scrutineered before it is permitted onto the circuit. This scrutineering does not imply any warranty by the organisers as to the state of the vehicle

For display:

- Any vehicle built prior to 1940.
- Post 1940 vehicles, subject to individual authorisation.

Display vehicles will be admitted on to the circuit only for the final parade

Vintage Revival has the right to reject any vehicle without justification or appeal will be considered.

Article 9 – Circuit groups

In order to ensure safety during each session, separate groups will be formed according to age, power, type and theme. Each participant must stay within his/her group or will be expelled from the circuit.

Article 10 – Access to Circuit and Paddock

A paddock will be available for those participants with access to the circuit.

The participants must comply with the rules governing paddock parking and access to the circuit. All movements must be at low speed.

A parking area adjoining the paddock will be available for support vehicles, trailers etc.

Only vehicles displaying a sticker with the colour of the relevant group will be admitted to the pre-start position. Vehicles must be at the pre-start position 15 minutes before the start of their group. A schedule will be available at the time.

Article 11 – Driver and Passengers

Every driver and passenger going onto the circuit area does so at their own risk and the driver must sign the Declaration below.

Except for specified groups

- Only one passenger will be allowed.
- **The driver and passenger must wear an approved crash helmet, or will be denied access to the circuit.**

To maintain the vintage style participants are encouraged to wear overalls or a jacket and long trousers.

The clerk of the course has the right to enforce breath tests. In case of refusal, access to the circuit will be denied.

Article 12 – Observance of circuit regulations.

- Each participant must attend a briefing by the clerk of the course.
- Any behaviour deemed dangerous or unsporting will result in expulsion from the group. A black flag will be shown.
- On the banked corners a maximum of two cars side by side is allowed.
- Participants must cover their headlights with adhesive tape.
- The car must not carry any loose and unnecessary objects.
- All vehicles must be equipped with silencers. Noise levels are liable to be checked and must not exceed 95 dba.

Repeated breach of these regulations may lead to the complete stop of a group.

Article 6 – Meals
